**— ENTERPRISE —**

**House of Fasteners & Other Products**

## **ABOUT US**

We were established in the year 2018 but with the vast experience of 15 years in our sister concern company “ Ashok Precision Products” in the field of Industrial Fasteners. We are one of the leading organization of manufacturing and supplying of wide range of Industrial Fasteners as per customer requirement.

We manufacture all our products as per industry norms and standards using graded raw material from approved vendors which are reliable and certified vendors of the market. Our products are used in automobile, hardware, electrical components and all varied industries.

We have with us modern manufacturing machines and standard instruments to give maximum satisfaction to customers. Our goal and aim is to provide 100% satisfaction to our beloved customers.

We have become major manufacturer and supplier of highly durable array of Machine Screws, Self Taping Screws, Sems Screws, Nuts, Bolts, Sems Bolts, automobile fasteners, electrical components fasteners, rivets and M.S. Turned items. We are having machinery consisting of Taiwan made header machines, champher machines, slotting machines, screw washer assembly machine, Roll dye threading machines.

The manufacturing process is based on customer requirements in sizes of threads from M2 to M8 and in equivalent thread sizes in standards such as DIN, NPT, BSW, BSP.

The workforce in our company is quality driven and with team of self-motivated workers. All the staff members thrive for continuous improvements and to achieve 100% customer satisfaction.

In future we are planning to introduce more products relating to fastener industries and are also planning to assemble related products in our premise to give ready goods to customers.

## **OUR MISSION**
